Subject: Cigarette Delivery Schedules- Sam's Clubs

Ladies & Gentlemen:

Attached is the order and delivery schedule for all Sam's Clubs. This schedule can be used for by our people when planning local promotions, prebooking, etc. It should also allow us to monitor low and out conditions and make recommendations for inventory adjustments at the club level.

We are building a club specific plan-o-gram program for inventory/brand management purposes incorporating this order/delivery schedule. We anticipate testing in 10 clubs in the 3rd quarter prior to rolling out to the field. Our objective is to have the system up and running in the majority of the clubs by the first of the year. Will keep you posted on dates and procedures.

Some clubs receive multiple deliveries, they will be listed more than once on the spreadsheet.

If you have questions let me know. Hope this information proves useful.

Sincerely,

Marty Washburn
